Hi All,

Unfortunately, due to bad weather Yakama Nation will not be able to attend the meeting today with James Woolford and Dennis McLerran regarding Portland Harbor. Attached is a letter from Harry Smiskin, Yakama Nation Tribal Council Chairman, outlining Yakama's expectations for the cleanup. Please share this letter with Mr. Woolford and Mr. McLerran at the meeting today if possible. The hardcopies will be put in the mail today. If you have any questions please contact Rose Longoria at 509-865-5121 ext. 6365 or rose@yakamafish-nsn.gov.

Thank you,

McClure Tosch
